Being a lesbian

A visual story explaining
lesbian relationships.

Being a lesbian is a sexual orientation.

A lesbian is a woman who is attracted to other self-identifying women.

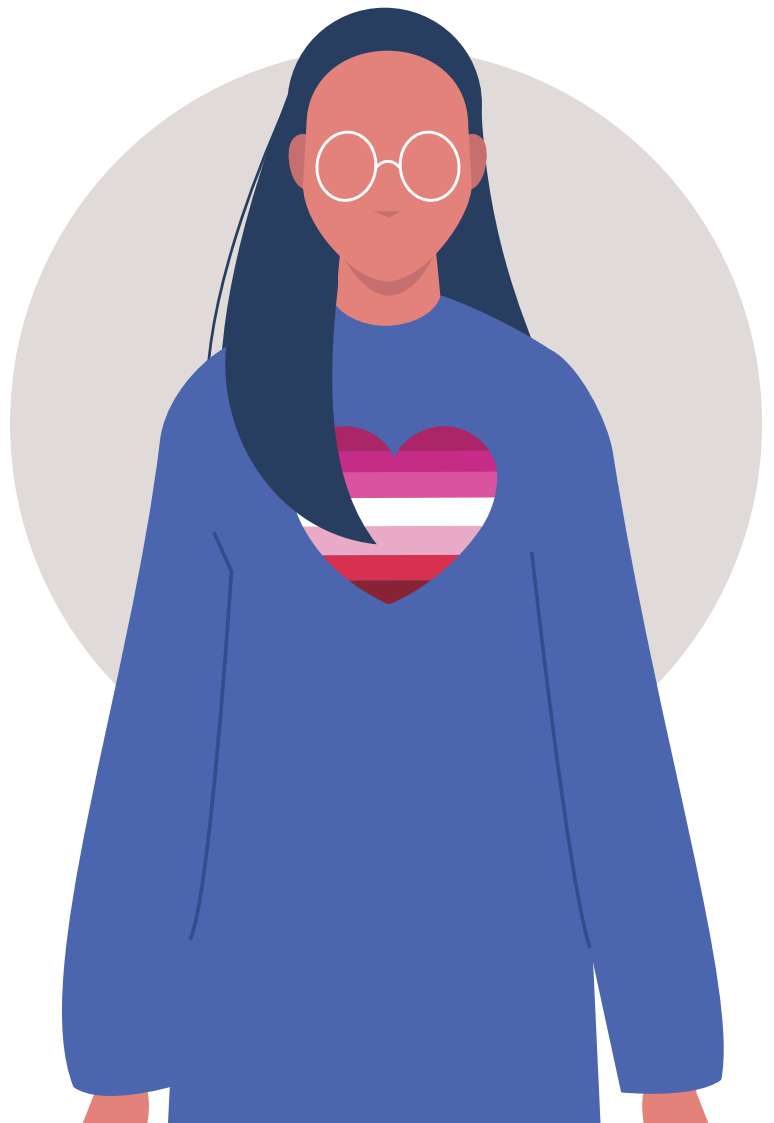

Sexual orientation is a person's identity in relation to the gender or genders they are sexually attracted to.

Lots of people are lesbians.

Faima is autistic, she also identifies as a lesbian.

Faima has never dated anyone before.

Faima has always found only women attractive physically, romantically and emotionally.

All lesbians look different.

is a lesbian.**

Velma from Scooby Doo is a lesbian.

Some lesbians are feminine looking, some are masculine looking.

Some are a combination of both, or neither.

There is no one way to look like a lesbian.

Like Faima, you do not have to have physical or romantic experiences to know your sexuality.

Being a lesbian is valid and only you can define your identity.

We are Ambitious about Autism

Ambitious about Autism is the national charity standing with autistic children and young people.

We believe every autistic child and young person has the right to be themselves and realise their ambitions.

We started as one school and have become a movement for change. We champion rights, campaign for change and create opportunities.
